AIS WINDOWS – A DIVISION OF ASAHI INDIA GLASS LTD.

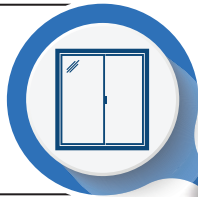

BOUTIQUE FACADE BY AIS WINDOWS

A bold statement in aesthetics, functionality, and lifestyle enhancement, the Boutique Facade range by AIS Windows is a premium exterior solution featuring a stick curtain wall system. With clean lines, uniform sightlines, and a flawless finish, it seamlessly blends expansive glass panels with strong yet lightweight aluminium frames — capturing attention while embodying sophistication.

KEY FEATURES AND BENEFITS

Strong Aluminium Frames

Lightweight yet strong, aluminium frames provide reliable structural support, ensuring durability and reducing overall building weight.

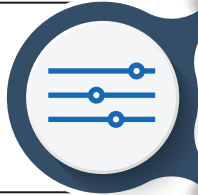

Expansive Glass Panels

Large expanses of glass offer enhanced transparency and natural light, creating a more aesthetically pleasing environment and improving interior comfort.

Multiple Customisation

The ability to customise colour, size, shape, and configuration allows for tailored designs that meet specific architectural requirements and aesthetic preferences.

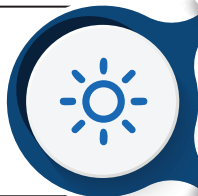

Weather Resistance

Designed to withstand various weather conditions, including wind, rain, and temperature fluctuations, ensuring long-term durability and reduced maintenance costs.

Enhanced Natural Light

With large glass panels, Boutique Facade systems allow ample sunlight to enter your space, creating a bright and inviting environment.

Energy Efficiency

Boutique Facades are designed to provide excellent thermal insulation, reducing energy consumption and lowering heating and cooling costs.

WHAT SETS BOUTIQUE FACADE APART FROM OTHER COMPETING BRAND FACADES?

1. Glass Chair: Transfers dead load of glass to the supporting structure, supports outer pane of the glass ensuring durability of insulated glass unit sealing and facilitates drainage and ventilation.

2. Polyamide: Improves thermal performance of facade by compartmentalizing and breaking the thermal bridge, makes sense when opting of insulated glass facade.
