## INTRODUCING SLIDING MONORAIL

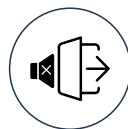

A single-track sliding system designed to offer wider views, smooth operation, and a clean, modern look. With slim aluminium profiles and integrated mesh options, it brings together aesthetics, comfort, and everyday convenience.

### Key Features:

**More Glass,  
Less Frame**

Slim profiles for wider views and more natural light.

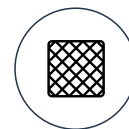

**Smooth  
Sliding**

Effortless operation for everyday use.

**Built to  
Last**

Made with high-strength T6-6063 aluminium.

**Integrated  
Mesh**

Available with sliding and pleated mesh options.

**Low  
Maintenance**

Designed for easy upkeep and long-term performance.
